

INSURANCE FOR GOVERNMENT CONTRACTING

Government contractors have unique risks. We help you mitigate them.

Doing business with the US government presents great opportunities—along with distinct risks you may not be fully protected against.

B. F. Saul Insurance helps federal government contractors protect their assets and reduce their risks through customized insurance solutions and a global, boots-on-the-ground network. We're highly experienced in providing insurance solutions for government contractors across the full spectrum of industries, including technology, armed security, linguistics, training, construction, healthcare, and trade work.

We know government contracting

The experienced advisors at B. F. Saul Insurance know how to structure insurance programs that optimize your premium under Federal Acquisition Regulations (FAR), obtain policy wording specific to your risks, help you achieve additional indemnification from the government, and support your growth by reviewing and pricing insurance requirements in new proposals.

We custom-craft government contractor insurance programs by tapping a broad portfolio of products, including:

- ✔ Errors & Omissions Liability
- ✔ DBA – Defense Base Act
- ✔ Cybersecurity
- ✔ War Risk
- ✔ Business Travel Accident
- ✔ Kidnap & Ransom
- ✔ Political Unrest
- ✔ Repatriation
- ✔ Key Man/Key Person
- ✔ Directors & Officers Liability
- ✔ CAR – Contractors All Risk
- ✔ Builder's Risk
- ✔ Global Casualty Programs
- ✔ Environmental
- ✔ Media Liability
- ✔ Cargo
- ✔ Foreign Package Policy
- ✔ OCONUS Liability
