

YOUR SUCCESS CREATES UNIQUE RISKS

Private Client Solutions

B. F. Saul Insurance helps manage them.

You work hard, you're passionate about your career, and now you're reaping the financial rewards. But financial success often creates unique, complex insurance needs that go beyond what traditional carriers offer.

B. F. Saul Insurance understands the specialized coverage needs of successful families and individuals. That's why we staff a team of professionals experienced in working with people like you, helping you protect your valued assets with the right customized insurance.

We work with insurance carriers that understand the nuances of protecting high-quality homes with unique or custom features, as well as collectible cars, fine art, jewelry, and other high-value assets. And we know how to protect you from personal lawsuits that put your net worth at risk, with an umbrella liability policy customized for your specific exposure.

Whatever you value, we can help protect it

B. F. Saul helps successful families and individuals protect what is important to them through a broad portfolio of insurance products, including:

- ✓ Primary & Secondary Homes/Condos/Co-ops
- ✓ Investment Properties
- ✓ Flood
- ✓ Personal Cyber
- ✓ Traditional & Collector Autos
- ✓ Jewelry, Art, Wine & Other Collectibles
- ✓ Worker's Compensation for Household Staff
- ✓ High Limit Umbrella Liability
- ✓ Non-Profit Directors & Officers

We're licensed in every US state and regularly work with clients who own residential properties across the country.

We provide responsive, knowledgeable service

Over 95% of our customers renew their policies through us, and that's a testament to our exceptional service. When you have questions or need advice, you won't spend long stretches on hold or talk with a chatbot. You'll quickly reach a live person who is knowledgeable about your account and coverages and invested in your success. And if you need to file a claim, our claims advocate will be by your side throughout the process—making it seamless and ensuring you receive the claim payout you deserve.

We build trusted, caring relationships

B. F. Saul Insurance advisors take the business of insurance personally. We're driven to help people we know, like, and value protect their assets by providing expert advice based on our deep experience. And we do that through in-person meetings and frequent phone calls and e-mails. In fact, if we don't hear from you for a while, we'll check in! Our dedicated team is intent on exceeding your expectations and goals.
